### **W.B Yeats Water**

Perfected by nature, deep beneath hills in the very heart of Ireland, W.B Yeats Water is slow filtered for over a thousand years through volcanic strata and limestone beds before rising up in Artesian wells as a natural mineral water of exceptional purity and composition.

A recipient of no less than 7 International Gold Medal Awards for taste, quality and excellence, this unique source imbues W.B Yeats Water with a delightful balance that makes it one of the finest drinking waters in the world.
